EXPRESS SCRIPTS (ESI) PART D PRESCRIPTION DRUG

Express Scripts Medicare Part D Prescription Drug Plan is a Medicare drug plan bundled with the United American Medicare Supplement Plans sponsored by Valero and is in addition to coverage under Medicare Part A or Part B. Your enrollment in the Express Scripts Medicare doesn't affect your coverage under Medicare Part A or Part B.

Participants enrolled in any Valero-sponsored Medicare medical benefit option will be automatically enrolled in a Valero-sponsored Medicare Part D Prescription Drug Program. If you enroll in a separate Medicare Part D Prescription Drug Plan, you will be disenrolled from the medical and prescription drug coverage sponsored by Valero.
